

## UH GK12 Fellow Application 2014-2015

As part of the application process, prepare a presentation where you introduce yourself to your prospective audience of 5<sup>th</sup> to 12<sup>th</sup> grade students. We encourage the creative use of any type of media and the intro should include information about your background and your current studies and research.

For examples, go to the GK12 website for the current Fellows: <http://egr.uh.edu/GK12/?e=fellows>

Additionally, please answer the following questions:

- 1) Why are you interested in participating in the GK-12 program as a graduate fellow and what grades (5-12) interest you most as far as getting involved with GK12?
- 2) What hours/days during the week would you like to be on campus with your GK12 teacher?
- 3) What geographic areas in the GREATER Houston area do you consider **unacceptable** as far as your routine travel to a GK12 school? Please be specific (i.e. Cy Fair, Aldine, Alief, Conroe, Dickinson, etc.)
- 4) What are your current areas of expertise?
- 5) What are your plans for expending the \$10,500 available to you for this program?
- 6) What courses are you planning to enroll in for Fall 14 and Spring 15?
- 7) When do you expect to graduate? With what degree(s)?

Applications should include the following attachments:

- 1) A statement indicating the support of your Graduate/Research Advisor for the GK12 project  
and
- 2) A resume

**Application Due Date: March 1, 2014**
